PROJECTS

Personal Portfolio

<http://www.brianhuot.com>

Side Project – Winter 2019

<http://www.github.com/bjhuot/bjhuot.github.io>

- Built using HTML, CSS, JavaScript, and Bootstrap.
- Approached from a mobile-first strategy to provide an attractive and centralized location for those interested in my developer career to connect with me.

QuizMe

<http://www.brianhuot.com/quiz-site>

Side Project – Spring 2019

<http://www.github.com/bjhuot/quiz-site>

- Built using HTML, CSS, and JavaScript
- Two player quiz game that requires one person to enter both questions and answers at the beginning, then allows for a second player to answer the quiz. At the end of the game, a score is generated (including penalties for incorrect answers) and displayed to the player.

List.IO

Graduation Project – July 2019 | Side Project - Continuing

<http://www.github.com/bjhuot/Listio>

- Frontend built using React, HTML, CSS, JavaScript, and Bootstrap.
- Backend built using ASP.NET Core Web API and LiteDB.
- Functioning to-do and note-taking app with CRUD capabilities.
- Features continually being added.

EMPLOYMENT EXPERIENCE

Kroger

September 2007 - Present

Customer Service Clerk | Bookkeeper | Payroll Clerk

- Piloted new bookkeeping processes and assisted in rollout to 19 stores across the district.
- Assist the District Front End Coordinator by researching cash shortages, evaluating, and training bookkeepers at stores across the district as requested. I have established best practices or resolved cash issues at four stores within the past year and trained or re-trained 10 bookkeepers within the past two years.

- Monitor timeclock punches daily from over 300 employees for errors that would affect pay and produce daily labor reports for store management by strict deadlines.

Wilson Wyatt Debate League

August 2018 - Present

League Director

- Started season with highly attended and smoothly-run tournament organized in 2 weeks.
- Managed \$63,000 budget over an academic year to plan and host six debate tournaments for 15 schools, award \$15,000 in scholarships, and coordinate an awards banquet.

Tabroom Director

August 2013 - April 2017

- Created 6 tournaments per year, customizing details for schedules, 8 events, and an average of 30 rooms prior to day of event in coordination with league director.
- Oversaw and maintained registration of about 200 individuals from 15 schools at each tournament.
- Entered results and calculated advancing teams while maintaining a tight schedule and seamless experience for competitors.
